

September 16, 2021

Dear Light of Christ Catholic Schools Families,

Earlier today, the Government of Saskatchewan announced mandatory masking in all indoor public spaces. Our schools and buildings fall into this since they are frequented by members of the public. As a result, effective tomorrow, Friday, September 17, 2021, all Light of Christ Catholic Schools employees, students, and visitors in our schools and buildings will be required to wear masks at all times other than when eating or drinking. Read more about masking at <https://bit.ly/2XxSGmX>

An exception for indoor masking will be given to those participating in extra-curricular sporting activities while they are actively playing. Masking will still be required at all other times while in the venue, on the bench, and required to be worn by all spectators. All other provisions outlined in the original Back to School Plans will stay in effect at this time. The plans can be found at <https://loccsd.ca/>.

The health and safety of our students, families and employees remains our priority. Thank you for your ongoing understanding and support. We will continue to update and inform you as more information becomes available.

Thank you in advance for your cooperation and understanding in this matter.

Sincerely Yours in Christ,

A handwritten signature in blue ink, appearing to read 'Cory Rideout', is positioned below the text 'Sincerely Yours in Christ,'.

Mr. Cory Rideout, Director of Education
